PROFILE SUMMARY

Finance professional with expertise in real estate valuations, financial modeling, and investor reporting. Experienced in analyzing IRRs, credit risk, and portfolio performance to drive data-driven investment decisions

PROFESSIONAL EXPERIENCE

Wipro Ltd. **Gurugram, Haryana**
Senior Analyst *June 2024 - Present*

- Preparing quarterly valuations by rolling forward financial models, updating forecasted cash flows, and integrating inputs from investment analysts to ensure accurate asset pricing for informed decision-making.
- Developing and reviewing customized investor reporting templates for Real Estate Debt Strategies, collaborating with finance teams to ensure precise, timely, and investor-focused financial data distribution.
- Analyzing and forecasting deal and fund-level IRRs while conducting bond valuations, leveraging financial modeling techniques to assess portfolio performance and optimize investment strategies.

Jindal Stainless Ltd. **Gurugram, Haryana**
Trade Finance Intern, Summer Internship *May 2023 – June 2023*

- Evaluated financing options for international trade, analyzing financial documents, letters of credit, and payment terms.
- Collaborated on assessing the organization's working capital strategies by reviewing cash flow cycles and liquidity metrics, enhancing efficiency in fund utilization and short-term financial planning.
- Conducted credit risk assessments (Credit Monitoring Assessment), improving the organization's credit monitoring framework.

Accenture Solutions Pvt. Ltd. **Gurugram, Haryana**
Procurement Operations Associate *December 2020 – July 2022*

- Monitored the overall functioning of the process, identified areas for improvement, and implemented automation to enhance efficiency and accuracy.
- Performed quality checks and audits of transactions, ensuring compliance with regulatory standards while efficiently handling client queries and requests.
- Reviewed and revised standard operating procedures (SOPs) in alignment with process updates, ensuring clarity and consistency in operations.

Trigent Software Pvt. Ltd. **Gurugram, Haryana**
Accounts Executive *August 2019 - December 2020*

- Employed with Trigent Software and deployed to Accenture Solutions Private Limited in the Accounts Payable department, gaining hands-on experience in financial operations.
- Processed invoices, allocated work, and monitored reporting activities while tracking service level agreements (SLAs) to ensure timely and accurate financial transactions.
